Program Outcomes

Ambrose Arts' Dance Minor and courses in dance are designed to deepen each student's understanding of dance and to grow dance skillfulness. Students receive training in the tenets of dance history, applied practice, and choreographic skills, while being encouraged to explore the intersection of their faith and art. Outcomes are divided into three areas of competency:

The Dancer's CRAFT OUTCOMES

1. A **physical and conceptual understanding of the dance form**
2. The ability to engage in **creative and critical response process** in dance
3. Perform choreography as part of **collaborative events** that include the music and/or theatre program at Ambrose Arts

The Dancer's CAREER OUTCOMES

1. **Build personal dance capacity** within any future career

The Dancer's CHARACTER OUTCOMES

1. Demonstrate an **integration of art and faith** in life and practice
2. Examine **the role of dance** as a tool for therapy, social justice, and religious expression

A thorough description of each outcome is available by contacting the Chair of Ambrose Arts.

Expected Course Learning Outcomes

The successful student will:

1. Gain further experience in performance collaboration.
2. Deepen experience in one or more dance disciplines (ballet, modern, or other choreographic styles)
3. Successfully fulfill the designated responsibilities of a dance role in a program production as assigned.
4. Gain experience mentoring students from DA 103 where appropriate.

Textbooks

No Required Textbooks; links to Additional Readings will be posted on Moodle.

Equipment/Attire

Please wear black leggings or bike shorts, an athletic top of the dancer's choice, and black dance socks. Dance socks can be purchased online or through local dance stores. Chewing gum and phones are not allowed in the studio. Hair should be tied back, so it is off the face and no jewelry other than stud earrings. Th, March 3, 10, 17, 24, 31	Collaborative Rehearsals in person +2 Wednesdays 3:15pm-4:30pm

Th- Sat, April 7th-9th	Performances (Times TBA)
Th, April 14	Journal Due and Final Class

Requirements

Collaborative Rehearsals: students will be assessed on their attendance and intentional participation in collaborative rehearsal times. Using methods of choreography from both contemporary dance and physical theatre, students will work with the instructor to create and direct their work that will be presented at the end of the semester.

*Dance Practice will meet with Collective Creation twice in the semester to collaborate. Specific dates will be set soon, but the class time and day that we will be joining them for is **Wednesday from 3:15pm-4:30pm. Dates TBA.***

Dress Rehearsal and Performance: choreography created during rehearsals will be presented as part of a collaborative performance with the Collective Creation Class. This will involve out-of-class hours in technical and dress rehearsal in the performance space. It will also include multiple performances in the venue from Thursday-Saturday **April 7th-9th** in the Motel Theatre at Arts Commons. Dress rehearsals will be held **April 4th-7th**. The tech schedule will be given as soon as it is confirmed.

***Participation in the tech/dress rehearsals and performances are mandatory**

Course Journal: each student will have a journal that will be written in for each class. Entries may include reflections and observations about the creative process, movement and thematic brainstorming, concept research, phrase and music mapping, as well as critical writing about the performance experience. The student journal is to be brought to every class and can take the form of a digital or paper format. There should be one entry per class, rehearsal, and performance. Be sure to cite any sources referenced in your journal using a citation format you are familiar with, APA would be preferable. *** Journal Due in class on Thursday April 14th**

Movement Assignments: each week students will be assigned a movement assignment which will be shared and explored by the class the following week. A couple examples of potential movement assignments are, 30 seconds of choreography, a sequence of gestures, or reversing or deconstructing a phrase of movement worked on in class.

Attendance: is required for all collaborative rehearsals, dress rehearsals and performances, as it not only impacts individual growth, but also collaborative work with peers. Any lateness or absence will be reflected in the student's participation grade.

Absences due to illness or emergency need to be communicated to the instructor as soon as possible and will require making up lost time and missed assignments as soon as possible. If a student has three unexcused absences, this will lead to failing the course. A late entry to class accounts for half an absence.

Grade Summary

Attendance and Participation in Collaborative Rehearsals/Movement Assignments– 50%

Dress Rehearsal and Performance – 30%

Course Journal – 20%

Because of the nature of the Alpha 4.00 system, there can be no uniform University-wide conversion scale. The relationship between raw scores (e.g. percentages) and the resultant letter grade will depend on the nature of the course and the instructor's assessment of the level of each class, compared to similar classes taught previously.

Please note that final grades will be available on student registration system. Printed grade sheets are not mailed out.

Covid-19 Protocols

In order to follow Ambrose and AHS requirements, students will wear masks and physically distance in class, and all high touch surfaces will be cleaned regularly. All students who are unwell may not attend class in person, as per AHS recommendation as well as Ambrose University policy. In the case that you are unable to attend class due to illness or isolation, but are well enough to participate online, a Zoom option for attendance will be provided for you upon request.

In the case that the instructor is unable to be in person due to illness or isolation, the class for that week will be rescheduled, or switched to online delivery. The Zoom link and other important information will be communicated via your Ambrose e-mail account as well as on Moodle.

Ambrose University Important Information:

Communication

All students have received an Ambrose e-mail account upon registration. It is the student's responsibility to check this account regularly as the Ambrose email system will be the professor's instrument for notifying students of important matters (cancelled class sessions, extensions, requested appointments, etc.) between class sessions.

Exam Scheduling

Students who find a conflict in their exam schedule must submit a Revised Examination Request form to the Registrar's Office by the deadline date; please consult the Academic Calendar. Requests will be considered for the following reasons only: 1) the scheduled final examination slot conflicts with another exam; 2) the student has three final exams within three consecutive exam time blocks; 3) the scheduled final exam slot conflicts with an exam at another institution; 4) extenuating circumstances. Travel is not considered a valid excuse for re-scheduling or missing a final exam.

Standards of Behaviour in the Classroom Setting

Learning is an active and interactive process, a joint venture between student and instructor and between student and student. Some topics covered within a class may lead to strong reactions and opinions. It is important that Students understand that they are entitled to hold contradictory beliefs and that they should be encouraged to engage with these topics in a critical manner. Committing to this type of "active learning" significantly increases the learning experience for both teacher and student, and reflects the Christian imperative to pursue truth, which lies at the heart of the Ambrose educational experience. However, active discussion of controversial topics will be undertaken with respect and empathy, which are the foundations of civil discourse in the Classroom Setting. Primary responsibility for managing the classroom rests with the instructor. The instructor may direct a student to leave the class if the student engages in any behaviour that disrupts the classroom setting. If necessary, Ambrose security will be contacted to escort the student from class. Please refer to your professor regarding their electronic etiquette expectations.

Academic Integrity

We are committed to fostering personal integrity and will not overlook breaches of integrity such as plagiarism and cheating. Academic dishonesty is taken seriously at Ambrose University as it undermines our academic standards and affects the integrity of each member of our learning community. Any attempt to obtain credit for academic work through fraudulent, deceptive, or dishonest means is academic dishonesty. Plagiarism involves presenting someone else's ideas, words, or work as one's own. Plagiarism is fraud and theft, but plagiarism can also occur by accident when a student fails or forgets to acknowledge to another person's ideas or words. Plagiarism and cheating can result in a failing grade for an assignment, for the course, or immediate dismissal from the university. Students are expected to be familiar with the policies in the current Academic Calendar that deal with plagiarism, cheating, and the penalties and procedures for dealing with these matters. All cases of academic dishonesty are

reported to the Academic Dean and become part of the student's permanent record.

Academic Policies

It is the responsibility of all students to become familiar with and adhere to academic policies as stated in the Academic Calendar. The academic calendar can be found at <https://ambrose.edu/content/academic-calendar-2>.

Privacy

Personal information (information about an individual that may be used to identify that individual) may be required as part of taking this class. Any information collected will only be used and disclosed for the purpose for which the collection was intended. For further information contact the Privacy Compliance Officer at privacy@ambrose.edu.

Coursework Extensions

Should a request for a time extension on coursework exceed the end of the term, a *Coursework Extension Application* must be completed and submitted to the Office of the Registrar. The extension (if granted) will be recorded on the student record. Extensions are granted at the discretion of the instructor and are normally granted for 30 days beyond the last day of the term.

Normally, Course Extension Applications will be considered only when all of the following conditions are met:

- the quality of prior course work has been satisfactory;
- circumstances beyond your control, such as an extended illness or death of a family member, make it impossible for you to complete the course work on time; and
- you submit *Coursework Extension Application* to the Office of the Registrar on or before the deadline specified in the Academic Schedule.

If granted, time extensions do not excuse you from a final examination where one has been scheduled for the course.

A temporary grade of TX will be assigned until a final grade is submitted in accordance with the new deadline. A final grade of F will apply to:

- all course work submitted after the end of the semester unless a coursework extension has been granted; and all course work submitted after the revised due date provided by an approved extension to coursework.

Academic Success and Supports

Accessibility Services

Academic accommodation is provided to Ambrose students with disabilities in accordance with the Alberta Human Rights Act and the Canadian Charter of Rights and Freedoms. Provision of academic accommodation does not lower the academic standards of the university nor remove the need for evaluation and the need to meet essential learning outcomes. Reasonable accommodations are tailored to the individual student, are flexible, and are determined by considering the barriers within the unique environment of a

postsecondary institution. It can take time to organize academic accommodations and funding for disability-related services. Students with a disability who wish to have an academic accommodation are encouraged to contact Accessibility Services as early as possible to ensure appropriate planning for any needs that may include accommodations. Staff can then meet with students to determine areas to facilitate success, and if accommodations are required, ensure those accommodations are put in place by working with faculty.

Ambrose Tutoring Services
