Evaluation

The following is a summary of all evaluation methods and relative weights for the course.

Evaluation Method	Weight

Final exam (chapters 5-10)	27.5%
Assignments (5)	25%
Business Negotiation	15%

Requirements:

Quizzes

Quizzes on the terminology and basic concepts covered in each chapter must be completed per the Course Schedule. The purpose of the quizzes is to encourage students to do the chapter readings and get a grasp of the basic concepts prior to class. Class lectures, assignments and exams will focus on applying the concepts so it is important that a foundation be laid. Quizzes will typically be 15 questions in length. They must be completed on Moodle (under the “Quizzes” tab). One attempt is allowed for each quiz. If you read the chapter ahead of time, you should be able to complete them in 30 minutes, though it will remain open for 45 minutes. You may use your text, but the quiz may not be done with anyone else. Your lowest quiz mark will be dropped.

Midterm & Final Exams

The exams will focus on the application of the concepts learned throughout the course. The final will not be cumulative. The Cases for Discussion and Questions for Student Review at the end of each chapter of the text are good examples of exam type questions. Students will be permitted to create and bring one double sided reference sheet for each exam.

Assignments

5 short assignments will be completed throughout the course. Assignments must be submitted via Moodle by 11:55pm on the dates indicated in the Course Schedule. Details on each assignment will be available on Moodle. The assignments will include 1) case brief, 2) interview with a lawyer, 3) Bible & law insights post, 4) legal research memo, and 5) court attendance & post.

Business Negotiation

Students will be provided with a set of facts and certain objectives and constraints for a business negotiation. This will be modified for the directed study and details will be provided on Moodle.

Communication

All students have received an Ambrose e-mail account upon registration. It is the student's responsibility to check this account regularly as Moodle and the Ambrose email system will be the professor's instrument for notifying students of important matters (cancelled class sessions, extensions, requested appointments, etc.) between class sessions. Students are welcome to forward all messages from the Ambrose account to another personal account.

*During the **Registration Revision Period** students may enter a course without permission, change the designation of any class from credit to audit and /or voluntary withdraw from a course without financial or academic penalty or record. Courses should be added or dropped on the student portal by the deadline date; please consult the List of Important Dates. After that date, the original status remains and the student is responsible for related fees.

*Students intending to withdraw from a course after the Registration Revision Period must apply to the Office of the Registrar by submitting a "Request to Withdraw from a Course" form or by sending an email to the Registrar's Office by the **Withdrawal Deadline**; please consult the List of Important Dates on the my.ambrose.edu website. Exam Scheduling

Students, who find a conflict in their exam schedule must submit a Revised Examination Request form to the Registrar's Office by the deadline date; please consult the List of Important Dates. Requests will be considered for the following reasons only: 1) the scheduled final examination slot conflicts with another exam; 2) the student has three final exams within three consecutive exam time blocks; 3) the scheduled final exam slot conflicts with an exam at another institution; 4) extenuating circumstances. Travel is not considered a valid excuse for re-scheduling or missing a final exam.

Electronic Etiquette

Students are expected to treat their instructor, guest speakers, and fellow students with respect. It is disruptive to the learning goals of a course or seminar and disrespectful to fellow students and the instructor to use electronics for purposes unrelated to the course during a class session. Turn off all cell phones and other electronic devices during class. Laptops should be used for class-related purposes only. Do not use iPods, MP3 players, or headphones. Do not text, read, or send personal emails, go on Facebook or other social networks, search the internet, or play computer games during class. The professor has the right to disallow the student to use a laptop in future lectures and/or to ask a student to withdraw from the session if s/he does not comply with this policy. Repeat offenders will be directed to the Dean. If you are expecting communication due to an emergency, please speak with the professor before class begins.

Academic Policies

It is the responsibility of all students to become familiar with and adhere to academic policies as stated in the Academic Calendar. Personal information (information about an individual that may be used to identify that individual) may be required as part of taking this class. Any information collected will only be used and disclosed for the purpose for which the collection was intended. For further information contact the Privacy Compliance Officer at privacy@ambrose.edu.

Extensions

Although extensions to coursework in the semester are at the discretion of the instructor, students may not turn in coursework for evaluation after the last day of the scheduled final examination period unless they have received permission for a course Extension from the Registrar's Office. Requests for course extensions or alternative examination time must be submitted to the Registrar's Office by the deadline date; please consult the List of Important Dates. Course extensions are only granted for serious issues that arise "due to circumstances beyond the student's control."

An appeal for change of grade on any course work must be made to the course instructor within one week of receiving notification of the grade. An appeal for change of final grade must be submitted to the Registrar's Office in writing and providing the basis for appeal within 30 days of receiving notification of the final grade, providing the basis for appeal. A review fee of \$50.00 must accompany the appeal. If the appeal is sustained, the fee will be refunded.

Academic Integrity

We are committed to fostering personal integrity and will not overlook breaches of integrity such as plagiarism and cheating. Academic dishonesty is taken seriously at Ambrose University as it undermines our academic standards and affects the integrity of each member of our learning community. Any attempt to obtain credit for academic work through fraudulent, deceptive, or dishonest means is academic dishonesty. Plagiarism involves presenting someone else's ideas, words, or work as one's own. Plagiarism is fraud and theft, but plagiarism can also occur by accident when a student fails or forgets to acknowledge to another person's ideas or words. Plagiarism and cheating can result in a failing grade for an assignment, for the course, or immediate dismissal from the university college. Students are expected to be familiar with the policies in the current Academic Calendar that deal with plagiarism, cheating, and the penalties and procedures for dealing with these matters. All cases of academic dishonesty are reported to the Academic Dean and become part of the student's permanent record.
