

WM 511 Cultural Anthropology (3) Winter 2011

Course Description

In today's world it is almost impossible to have a relationship with anyone without crossing some cultural barrier. Therefore, cultural awareness is essential for everyone interested in ministry, regardless of location.

This course is an introductory study of cultural anthropology including the concept of culture, language, status and role, marriage and the family, kinship, legal systems, social groups, etc. Students will also learn how to do participant-observation, which is the research method particular to anthropology.

The format of the course will be lectures, group projects and individual research in different areas of Calgary, and we will see a few of movies.

Course Requirements

In order to receive a passing grade in this course you must complete all the assignments. Thus, for example, even if you get no points for a late reflection you must complete all of them.

All written submissions will be done through Moodle and they are due at 7:00 pm. Be aware that a paper submitted 7:05 is one day late and receives a 10% penalty.

1. Active participation

- In order for us to have a good learning experience in the class we must all respect each other and not disrupt the class. People arriving late, talking when someone else is talking, looking at something unrelated on either computer or cell phones disrupts the

learning atmosphere. Therefore, I ask that you will be on time, take notes and you will actively engage in class discussions and evening ministry chapel. If you do so, you will receive 2 participation marks. Additional points come from insightful interaction. If you have more than two late arrivals to class, or only occasional interaction in class you, will lose 2 points for each. Note: you can end up with negative points for this part of the assignments.

- Active participation means more than just being present and arriving on time. You need to take active part in class discussions. Being on time and have some active participation will give you 3 points. Additional points require informed and frequent, yet appropriate interaction.

2. Research Paper

- You will research an area of Cultural Anthropology and focus specifically on your future ministry location. You will read an additional 300 pages about your topic. (You must include at least two articles from each of the following journals: *Missiology* and *International Bulletin of Missionary Research*). You will write a 12 – 15 page paper.
- You will follow the normal format for Seminary term papers. In an appendix list all sources and the page numbers you have read. You will be graded on depth of analyses, quality of sources, flow and English grammar.
- You will write a proposal where you include proposed topic and include some sources you propose to read. You will also include some background of your future ministry location. Of course you can hand in the proposal early if you want to get an early start for the research paper.

3. Ethnography

- A written report from you participant observation. We will spend time in class discussing how to do both the participant observation and the write-up.
- You will read two ethnographies from the library reserve shelf. There are 5 or 6 sample papers.
- You will include an appendix in the ethnography detailing how you spent your time.
- Grading
 1. You will be graded on the quality of your observations, analysis and flow of the paper. I will grade the ethnography on the basis of what I estimate an average student will be able to produce after twenty effective hours of work.
 2. Please use MLA format, but include a title page as seen in appendix 1.
- **Early Submission**
 1. If you submit your ethnography on March 17 you will receive 3 bonus points. However, because of this, **there is no extension given for the April 7 deadline** and you will receive regular late penalty if you choose to submit your paper late.

4. Exams

- **Midterm.** Seminary students will not have a midterm.
- **Final Exam** The final exam will cover all the main parts of the course, not just what we have dealt with in class since the mid term.
- The final is Thursday, April 21 at 13:00. It is your own responsibility to check with the registrar for any changes to this date and time. If you have three exams in one 24-hour period or two exams at the same time you may contact the Registrar's office to

request a revised schedule. The final day to do so is Monday, April 4. If you do not have your request in by this date, all exams within a 24-hour period will have to be written as scheduled. If you have two exams at the same time, you will be given four hours to write both exams.

5. **BROWNIE assignment**

- If you attend David Fitch lecture on either February 16 and 17, at 7:00 pm and write a two page single spaced reflection on how his lecture relates to Cultural Anthropology you can receive up to 2 brownie points, the minimum for attending and submitting a reflection is 1 point. Make sure Emma knows that you attend by talking to her after the evening session. It is not required for you to attend or to do this assignment. If you are also enrolled in REL 130 Intro to World Religions you need to write this paper from a different evening, meaning you need to attend both in order to receive points in both classes.

Activity	Percentage of grade	Due Date
Active Participation	5	Na
Ethnography	35	(March 17) April 7
Final Exam	25	April 21
Proposal	5	February 10
Research paper	30	April 5
Total	100	

Late Assignments

Late assignments will receive a 10% penalty the first day, 5% the second and 5% the third day. After the third day you will receive 0 points for the assignments, but it must still be submitted.

Graded final examinations will be available for supervised review at the request of the student. Please contact your instructor.

Electronic Etiquette

You are expected to treat your instructor, guest speakers, and fellow students with respect. It is disruptive to the learning goals of a course or seminar and disrespectful to fellow students and the instructor to engage in electronically-enabled activities unrelated to the class during a class session. Please turn off all cell phones and other electronic devices during class. Laptops should be used for class-related purposes only. Please do not use iPods, MP3 players, or headphones. Do not text, read or send personal emails, go on Facebook or other social networks, search the internet, or play computer games during class. The professor has the right to disallow the student to use a laptop in future lectures and/or to ask a student to withdraw from the session if s/he does not comply with this policy. Repeat offenders will be directed to the Dean. If you are expecting communication due to an emergency, please speak with the professor before the class begins.

Academic Policies

It is the responsibility of all students to become familiar with and adhere to academic policies as stated in the Student Handbook and Academic Calendar. Personal information, that is information about an individual that may be used to identify that individual, may be collected as a requirement as part of taking this class. Any information collected will only be used and disclosed for the purpose for which the collection was intended. For further information contact the Privacy Compliance Officer at privacy@ambrose.edu.

Extensions

Although extensions to coursework in the semester are at the discretion of the instructor, students may not turn in coursework for evaluation after the last day of the scheduled final

examination period unless they have received permission for a “Course Extension” from the Registrar’s Office. Requests for course extensions or alternative examination time must be submitted to the Registrar’s Office by the appropriate deadline (as listed in the Academic Calendar <http://www.ambrose.edu/publications/academiccalendar>). Course extensions are only granted for serious issues that arise “due to circumstances beyond the student’s control.”

Academic Integrity

We are committed to fostering personal integrity and will not overlook breaches of integrity such as plagiarism and cheating. Academic dishonesty is taken seriously at Ambrose University College as it undermines our academic standards and affects the integrity of each member of our learning community. Any attempt to obtain credit for academic work through fraudulent, deceptive, or dishonest means is academic dishonesty. **Plagiarism involves presenting someone else’s ideas, words, or work as one’s own.** Plagiarism is fraud and theft, but plagiarism can **also occur by accident** when a student fails or forgets to give credit to another person’s ideas or words. Plagiarism and cheating may result in a failing grade for an assignment, for the course, or immediate dismissal from the university college. Students are expected to be familiar with the policies in the current Academic Calendar and the Student Handbook that deal with plagiarism, cheating, and the penalties and procedures for dealing with these matters. All cases of academic dishonesty are reported to the Academic Dean and become part of the student’s permanent record.

Students are advised to retain this syllabus for their records.
