2. Qualitative Research: 20%

Questions Due: September 23, 2019

Final Assignment due: November 18, 2019

Students will interview 6 children, of a common age (between ages 8-12), in order to discover how faith formation takes place in a child's life. Your job is to *explore the lived experience of faith in a child's life and examine some of the ways in which a child's experience at home and at church may encourage growth in their faith in Christ.* (i.e. How does this child experience God?)

Students will develop a series of questions and activities to explore the development of a child's faith. Include questions and activities that help you determine the cognitive and physical limitations of the child and how these areas affect the child's knowledge, spiritual awareness and moral growth.

Students will look for patterns and articulate what is observed in each child interviewed. It may be helpful to watch the teaching of a Sunday School lesson and interview the children one by one immediately after the lesson is taught.

A transcript of each interview should be submitted along with a 3-5 page analysis of the student's key findings, patterns, observations and conclusion.

Permission forms must be signed by parents prior to conducting interviews and will be provided in class. These will be available once your questions are approved by the professor.

3. Create a unit plan 20%

Due: November 25, 2019

Determine a theological or biblical principle that you want to teach in a local church. Then, prepare a one month unit plan that could be used for Sunday morning ministry OR a one week unit plan that could be used for a day camp. Be sure to include the target age group, unit theme (including weekly lesson titles), goals, learning outcomes, instructional strategies and required materials. This should be presented in a chart format. For those in agreement, a copy of each unit will be made available for each student in the class.

4. Teach a lesson: 20%

Teach Lesson Due: November 25, 2019 (10%)

Teaching Reflection Due: December 9, 2019 (10%)

Use one of the lesson from your unit outline to teach to the students in this class. This lesson will have clear objectives and will fit logically into the unit you have submitted

This lesson must indicate the biblical focus, age group you will teach to, objectives, materials and procedure (ie. lesson outline).

Attendance: 10%

There will be a variety of reading, including *Children Matter* by Scottie May et al, taking place throughout the semester (outside of the assigned texts). Students are expected to come prepared to discuss readings and participate in all class discussions.

When we discuss readings each class, students are expected to come prepared to comment on the following:

- What stood out for you in the reading?
- What are your take-aways?
- What do you agree/not agree with?

In order to benefit from this course and to best prepare you for a vocation in Children's Ministry, you must attend all classes. A student who misses more than 20% of scheduled classes will not be able to receive a passing grade for the course. In the cases of severe or prolonged illness, or other extenuating circumstances, the Academic Vice President may grant extensions.

Please note that final grades will be available on student registration system. Printed grade sheets are not mailed out.

Ambrose University Academic Policies:

It is the student's responsibility to check this account regularly as the Ambrose email system will be the professor's instrument for notifying students of important matters (cancelled class sessions, extensions, requested appointments, etc.) between class sessions. If students do not wish to use their Ambrose accounts, they will need to forward all messages from the Ambrose account to another personal account.

Academic dishonesty is taken seriously at Ambrose University as it undermines our academic standards and affects the integrity of each member of our learning community. Any attempt to obtain credit for academic work through fraudulent, deceptive, or dishonest means is academic dishonesty. Plagiarism involves presenting someone else's ideas, words, or work as one's own. Plagiarism is fraud and theft, but plagiarism can also occur by accident when a student fails or forgets to acknowledge to another person's ideas or words. Plagiarism and cheating can result in a failing grade for an assignment, for the course, or immediate dismissal from the university. Students are expected to be familiar with the policies in the current Academic Calendar that deal with plagiarism, cheating, and the penalties and procedures for dealing with these matters. All cases of academic dishonesty are reported to the Academic Dean and become part of the student's permanent record.
