Requirements:

(1) Pop-Culture Magazine Summary

Go to a library, a local store or a stand where magazines are sold. Thumb through a number of magazines that teens would read. Note that teens will normally read magazines for the next developmental stage above them. Therefore, this would mean that 14-year-old girls would be reading "Seventeen," and high school guys may be reading "Men's Health."

Choose 1 youth magazine....

A) In one paragraph review the overall "look and feel" presented. Describe what you imagine would be the impression it would leave upon a teen reading it.

B) Next write a critique of about 200-250 words responding from a concerned adult's point of view to 1 article in the magazine. Based on your understanding from this course, refute any irresponsible or erroneous views advocated by the magazine. Begin your critique by summarizing the article that you read.

C) Photocopy the article and attach it to your assignment.

Grade Weight: 10%

Length: 1 Page

To be uploaded to Moodle prior to the beginning of class on January 17

(2) Youth Issue Research Projects (2)

This project is made of 2 parts:

A. The Package

B. Class Presentation

This project is NOT meant to be a typical term paper. Think of it as a “package” of gathered data, written material and ministry tools related to the topic you choose. The project should reflect significant effort in an area of personal interest.

A. Your package could include: a literature review, charts, graphs, illustrations, case studies, the results of interviews or surveys you put together, video or audio segments, a Biblical perspective, the outline of a talk you would do to teens on the subject, an annotated bibliography on the topic, etc. I expect a comprehensive look at the topic you choose and the evidence of some practical, helpful material in dealing with the issue. Your package should include 6-8 pages of your own writing and 8-12 pages of photocopied material, relevant media, etc.

B. Develop a 20-minute class presentation on your topic that will help others understand the immensity of your topic. Use creativity in your presentation and have a summary handout for each class member (1-2 pages) including websites that would provide helpful information.

As a seminary student, you will need to use more scholarly resources as part of your package. You will also be required to present a 20 minute class presentation.

Grade Weight: 40%

Length: As above

To be uploaded to Moodle prior to the beginning of class on February 28 and March 28

(3) Book Review

Write a five-page book review of the main text for the course (Erwin, Pamela. A Critical Approach to Youth Ministry: Its Influence and Implication for Ministry. Grand Rapids: Zondervan, 2010). This review should not simply be a summary of the content but also demonstrate your knowledge of the book through your interactions, agreements and disagreements with its content.

Grade Weight: 20%

Length: 5 pages

To be uploaded to Moodle prior to the beginning of class February 7

(4) A Biblical Perspective on Current Culture

The best way to understand the dynamics of guilt, shame, bitterness, unforgiveness, or any of the issues addressed in this course is to examine the Scriptures. For this assignment, you will have to search the Scriptures topically for the subject of guilt and forgiveness or any of the other issues raised in this course. Write a carefully structured 45 minute small group or youth group Bible Study.

Design this as you are teaching your peers if you are facilitating a young adult ministry group.

Evaluation:

Content 80% - The Bible Study has quality material and is written in an interesting way. Detail, references, completeness, integration of course content, Biblical support and real world approach will be considered.

Style & Format 10% - This must be a creative, well written Bible Study that would be interesting for senior high school students.

Grammar & Spelling 10% - The Study should be flawless with excellent grammar and perfect spelling.

Grade Weight: 10%

Length: Enough material for a 45 minute Bible Study or Small Group Study

To be uploaded to Moodle prior to the beginning of class March 14

(5) Reading

Submit an answer to the statement in moodle reporting the percentage of reading done. There will be extra reading articles that will be handed out to the seminary students that will be required reading.

Grade Weight: 10%

To be uploaded to Moodle prior to the beginning of class April 4

(6) Class Participation

You will receive full marks if you are present and actively participate in class discussions. It is expected as a seminary student that you will be the first to share and present your opinion in class discussions.

Grade Weight: 10%

Attendance:

In order to benefit from this course, each student is expected to attend and participate in all classes. Since this course is preparation for full time ministry, you are expected to not miss any of the scheduled classes. A student missing more than 20% of scheduled classes will not receive a passing grade for the course. In the cases of severe or prolonged illness, or other extenuating circumstances, the Academic Dean may grant exceptions.

In regards to late assignments... this course is designed to prepare you for professional youth ministry. Incomplete work and missed deadlines are not acceptable in the professional field. Start to plan your schedule to make deadlines and be prepared for those unexpected things that pop into your life.

Therefore, all assignments must be turned in on time on the assigned date. Grades will be severely affected for any assignment turned in after the deadline.

All assignments must be submitted to receive a passing grade in the class.

Because of the nature of the Alpha 4.00 system, there can be no uniform College-wide conversion scale. The relationship between raw scores (e.g. percentages) and the resultant letter grade will depend on the nature of the course and the instructor's assessment of the level of each class, compared to similar classes taught previously.

Please note that final grades will be available on student registration system. Printed grade sheets are not mailed out.

Ambrose University Academic Policies:

All students have received an Ambrose e-mail account upon registration. It is the student's responsibility to check this account regularly as the Ambrose email system will be the professor's instrument for notifying students of important matters (cancelled class sessions, extensions, requested appointments, etc.) between class sessions. If students do not wish to use their Ambrose accounts, they will need to forward all messages from the Ambrose account to another personal account.

Academic Integrity

We are committed to fostering personal integrity and will not overlook breaches of integrity such as plagiarism and cheating. Academic dishonesty is taken seriously at Ambrose University as it undermines our academic standards and affects the integrity of each member of our learning community. Any attempt to obtain credit for academic work through fraudulent, deceptive, or dishonest means is academic dishonesty. Plagiarism involves presenting someone else's ideas, words, or work as one's own. Plagiarism is fraud and theft, but plagiarism can also occur by accident when a student fails or forgets to acknowledge to another person's ideas or words. Plagiarism and cheating can result in a failing grade for an assignment, for the course, or immediate dismissal from the university college. Students are expected to be familiar with the policies in the current Academic Calendar that deal with plagiarism, cheating, and the penalties and procedures for dealing with these matters. All cases of academic dishonesty are reported to the Academic Dean and become part of the student's permanent record.

Note: Students are strongly advised to retain this syllabus for their records.
